Junior Classical Workshop - Giselle

August 5-9, Monday-Friday, 9:30am-2:00pm – Corte Madera Studio

This program is for current Junior 2-4 dancers. Our Junior level classical workshop provides an opportunity to enhance your dancer's training and repertoire while learning about the famous classical ballet *Giselle*. Each day will include stretch & strength and ballet technique class. Dancers will discuss the classical ballet story, watch pieces of company performances and variations, and learn about stage characterization through performance and technique. Dancers will be exposed to appropriately modified versions of famous variations danced in the ballet - a first introduction to "variations class." Join us for this exciting classical workshop opportunity.
