Additional Summer Programs

Junior Performance Workshop

\$420

July 20 - August 2, Monday-Friday, 4:00-6:00pm – San Rafael Campus

This program is for current Elementary 2 & Junior 1-2 dancers and will include technique, choreography and rehearsals. This 2-week workshop culminates in a theater performance with the upper division levels of Marin Dance Theatre. The performance takes place at the Novato High School Performing Arts Center and students will need to be available for a dress rehearsal on Saturday, Aug. 1st and the performance day on Sunday, Aug. 2nd. This is a great option for those dancers who love to perform. Dancers can participate in this workshop only or in conjunction with any other age-appropriate MDT program throughout the summer.

Junior Classical Workshop – Coppelia

\$480

August 3 - 7, Monday-Friday, 9:00am-2:00pm – Corte Madera Studio

This program is for current Junior 2-4 dancers. Our Junior level classical workshop provides an opportunity to enhance your dancer's training and repertoire while learning about the famous classical ballet, *Coppelia*. Each day will include stretch & strength conditioning and ballet technique class. Dancers will discuss the classical ballet story, watch pieces of company performances and variations, and learn about stage characterization through performance and technique. Dancers will be exposed to appropriately modified versions of famous variations danced in the ballet - a first introduction to "variations class." Join us for this exciting classical workshop opportunity.
